Bad Weather/Intempéries

Despite a break, the wet weather is here and will likely stay for several months. Please make sure your child has west-coast appropriate coats and footwear for the cold and the water. Students go outside for morning and lunch recess most days – we keep them in only when it is very wet. They need a good waterproof coat and warm, dry footwear. Do remember that a fabric hoodie may be warm to start, but without something waterproof to go with it, it will not keep the cold out. Mittens or gloves and a hat are also good ideas. Merci ☺
