June 12, 2026 – Weekly Update

Hello Macaulay families!

Only 9 more school days to go!

This past week, Science Venture visited our classrooms and wowed our students with a variety of engaging hands-on experiments. It was wonderful to see so much curiosity and excitement for science in action. As we head into the final days of the school year, a reminder that many year-end field trips and outdoor activities are taking place. Please ensure your child comes prepared with sunscreen, a hat, a water bottle, and a swimsuit (if required) for their activity. If you are visiting the school over the next two weeks, please take a moment to check our Lost and Found. We have a large collection of clothing and other treasures waiting to be reunited with their owners. Unclaimed items at the end of the school year are sent for donation. Finally, our last PAC Fun Lunch of the year took place on Friday. These lunches have been enjoyed by students and staff throughout the year, and we extend our sincere thanks to the PAC and their dedicated volunteers for organizing and supporting this wonderful program.

Have a restful weekend!

Library Books – Please Return!

A friendly reminder that all **library books are to be returned by Monday June 15th**. Students that return their books by this date will receive a prize from our Librarian!

Reminder: Macaulay Masterbuilders

We're excited to offer the Macaulay Robotics Team again next year and are gathering expressions of interest early so that we can begin organizing over the summer. Students will work together to design, build lego, program, and present a robot while developing skills in coding, problem-solving, research, creativity, and teamwork. With support from the Esquimalt Atom Smashers, the team will meet at lunch recess and on Fridays after school until 4:00 p.m. from September to January. Parents/guardians will be responsible for arranging pick-up after Friday practices. If your child is interested in this exciting opportunity, please complete [this Google Form](#) to indicate their interest.

The deadline to apply is June 19.

Please contact Mme. Elizabeth (echow@sd61.bc.ca) if you have any questions.

Mini Golf & Grade 5 Mini- Market

Thursday, June 18th from 4:30- 7:30 p.m.

We look forward to seeing many of you and, most importantly, what your children have created for mini-golf structures this year. This is a wonderful opportunity for our community to come together and enjoy a summer evening outdoors! Please [sign up here](#) if you would like to play a course or two. If your child(ren) are NOT participating in the building of structures, please come and enjoy a wonderful evening. In addition, this year, Hazel's ice cream will be onsite!

Macaulay Grade 5-Leaving Ceremony

Wednesday, June 24, from 9:00-10:15 a.m.

Our Grade 5 Leaving Ceremony will take place in the gymnasium. To ensure we have enough space for everyone, we ask that each student be accompanied by a maximum of two family members. We understand that some families may wish to have additional guests attend, and we will do our best to accommodate these requests where possible.

If you would like more than two family members to attend, please contact the school by email at Macaulay@sd61.bc.ca or by phone at 250-385-3441 so that we can plan accordingly. Thank you in advance for your understanding and cooperation as we work to make this a special celebration for our graduating Grade 5 students and their families!
