Orange Shirt Day

On September 29, our school community gathered to honour Orange Shirt Day and National Day for Truth and Reconciliation. Students participated in a circle and some drumming led by our Indigenous Youth and Family Advocate, Carly Bird, and our drum steward, Madame Frédérique. Through drumming and gathering in a circle, we created space for learning, reflection and healing, while learning about Indigenous culture and the history and ongoing impacts of residential schools.

More Information Items:

Lost and Found

Our Lost and Found is already getting quite full. Labeling your child's clothing, whenever possible, can make it much easier for us to return lost items to their owners.

Socks and Pants

We are looking for donations of gently used, clean socks and pants to help provide a change of clothes for students when needed. Thank you for your support!

Macaulay Clubs

We have a couple of clubs already up and running at Macaulay, with more to come! Clubs are a wonderful opportunity for students to explore interests, connect with others and build relationships with staff and peers outside of their regular classroom.

We are especially looking forward to offering opportunities that may help students make new connections and find a place where they feel they belong. We'll share more information with families as additional clubs get underway.

More to come!
