Weekly Update

Hello Macaulay families!

Thank you to all the families who took the time to meet with teachers during Parent-Teacher Conferences this past week. We hope you found the opportunity to connect and discuss your child's progress valuable. A friendly reminder that there is no school next Wednesday, November 11th, as we take time to honour and remember those who have served. Please take a few moments to read through this week's newsletter, as there are a few important announcements and updates to share!

Our Remembrance Day assembly will bring our school community together to honour those who have served and sacrificed for peace and freedom. The program will include a Territorial Acknowledgement by students from Divisions 2 and 5, O Canada sung in French by Madame Karen's class and in English by the whole school, and musical performances by Madame Frédérique's and Mrs. Nex's classes. Students involved in Scouting, Guiding, Cadets and other uniformed organizations will take part in the laying of wreaths, followed by a moment of silence and Reveille.

We warmly invite parents and caregivers who are current or former members of the Canadian Armed Forces, or families for whom this ceremony holds special meaning, to join us on Tuesday, November 10 at 11 am. As this will be a whole school assembly, space will be limited.

Thank you for being part of our Macaulay community. We hope you have a wonderful week and a safe weekend!

Information Items

Popsicle Sale Fundraising
Our Grade 5 classes have wrapped up their popsicle sales and raised $1,410.95! These funds will go towards their upcoming Salish Sea trips. Way to go, Grade 5's, and thank you to everyone who supported the sales!

Pick up and Drop Off – SAFETY CONCERN
Please do not park on the yellow lines. The pull-through is not a parking zone. Drivers must always remain in their vehicles to help keep traffic moving smoothly and ensure everyone's safety.

Friday Nov 6th, 2026

If you are parked in these areas, you will kindly be reminded of the "no-park zone" and asked to move your car. Your assistance and understanding are most appreciated!

Lost and Found

We still have quite a collection of lost items waiting to be claimed! Please take a moment to look through the table of clothing, water bottles and other treasures looking to find their way home. The lost items are currently set up in the hallway just outside the main doors.

Head Lice Awareness

Head lice are common in BC communities. Although they are a bother, head lice are not a health risk.

Head lice spread quickly by close, head-to-head contact. Lice cannot live on furniture or carpet, and they cannot jump or fly. There may be few or no symptoms, but itching may occur.

You can help by:

- Checking your child's head with the wet combing method of detection once a week throughout the year.
- Review the pamphlet *How to Get Rid of Head Lice Wet Combing*, available online, at your school and Public Health Unit.
- Encouraging your child to wear their hair tied back.
- Treating if you notice live lice on your child's head.
- Reminding family and friends about the importance of routine head checks, using the wet combing method.

For more information:

- Your local Public Health Unit
- Read the HealthLink BC File on Head Lice HealthLink BC File #06 Head Lice
